A TASTE OF HISTORY • THE THREE CUPS

Est. c. 1660 • Grade II Listed

Nestled in historic Westport, the earliest records of *The Three Cups* date back to around 1660 under innkeeper Giles Hoone, who minted his own trade tokens stamped with three drinking cups to trade with local broadcloth weavers. For over 360 years, these walls have welcomed travelers; today, that timeless spirit continues as Malmesbury's award-winning plant-based kitchen and taproom.
